

## Child Less Parent: Snapshots of Parental Alienation: Information for Divorced or Divorcing Parents

A must-have for parents in high conflict divorce. Child Less Parent: Snapshots of Parental Alienation provides vital information, education, and support to divorced/divorcing parents and their extended families. Parental Alienation causes children to reject one parent after a divorce or separation and is often considered a form of child abuse because of the negative psychological impact it has on kids. Many targeted parents don't seek help because they are fearful of losing their children permanently or are ashamed of their situations. Child Less Parent: Snapshots of Parental Alienation breaks down the barriers preventing parents from seeking help by providing clear and easily understood information. Accompanied by vivid photographs, Child Less Parent affirms the value of the targeted parent and offers hope to struggling families.
