

Searching the Scriptures: As in Acts 17:11

Is it true that a born-again Christian can never be lost? Do the scriptures teach that we should forgive all sinners? What is the one thing Christians must do to ensure they will not be punished on Judgment Day? Searching the Scriptures as in Acts 17:11 helps Christians to explore these questions by returning back to the original teachings of Christ in the bible. Author Robert Blair provides the structure for this journey through his thought-provoking commentary and selection of scriptures that point to a shocking revelation: Many widely accepted traditions in the church do NOT have a basis in the bible. This book will be of interest to any Christian seeking to gain a clearer understanding of the scriptures and how to live a life that reflects their teachings.
