

Anybody Got a Clue About Guys?: A Young Womans Guide to Healthy Relationships

You spotted him the first day of school; those incredible eyes, that gorgeous smile...and hes even got a great personality! Your heart jumps and your palms get sweaty every time you see him or hear his name. So what do you do now? How so you act? What do you say? HELP! Whether youve dated a little or maybe not at all, the truth is the same: Its not easy relating to guys. Theyre tough to read sometimes and its hard to know how you should respond. Youll probably never learn to think like a guy. But Susie Shellenbergers wit and wisdom will help you understand the signals of the opposite sex. Anybody Got a Clue about Guys? gives you sound advice about starting and keeping good relationships with todays guys. It will also teach you a lot about what they like and dislike about girls.
