

HIPAA Focused Training 3C: Marketing, Library Edition

This title is part of the UniversityOfHealthCare/UniversityOfBusiness Interactive Training Library, which offers authoritative, clearly written material in an interactive form for better comprehension and documentation of completion. The manual accompanying the CD provides a summary of the major points of the CD in a handy format. The HIPAA Focused Training series consists of traditionally structured courses with similar content to the HIPAA story courses to accommodate those who learn well without stories. HIPAA 1 and 2 are important prerequisites to understand details of privacy. HIPAA Focused Training 3C Marketing will teach you what is marketing under HIPAA, rules that apply to relationships with pharmaceutical and medical device companies, rules for marketing authorizations, the use of protected health information in HIPAA, and more. Estimated time: 1-3 hours. 87 pages on CD. 9 pages in the manual. For convenience, the CD contains the text of some of the regulations. You must have Internet Explorer 4.0 or higher running on your computer. Supported operating systems are Windows 95, 98, 98 SE, ME, 2000, or XP. You will need Internet access to e-mail us your unique key and receive a password key. License is for one user on one computer. An additional computer owned by the same user will generally be approved at the discretion of the publisher.
