

A Quick Bite

That hot guy tied to Lissianna Argeneaus bed? Hes not dessert - hes the main course! Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But theres another, more pressing issue: her tendency to faint at the sight of blood . . . an especially annoying quirk for a vampire. Of course it doesnt hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a strangers bedroom pretty quickly - once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? Thats a question Dr. Greg might be willing to sink his teeth into . . . if he can just get Lissianna to bite.
