

Just Kiss her! - The mindful mans guide to getting make-outs

DISCOVER: How to get the make-outs youve always wanted You arent kissing as many girls as you would like? Just kiss her!The mindful mans guide to getting make-outs will help you out! **FIND YOUR UNIQUE WAY** of letting your personality shine in order to attract more women and therefore more kisses into your life Do you find it awkward sometimes to go for the first kiss? This guide will not only help you deal with the awkwardnessit will also help you feel more relaxed about your desire to go for that kiss, so it wont feel awkward to begin with. **DOWNLOAD** Just kiss her!The mindful mans guide to getting make-outs This book works! People send me messages with their stories like this one: Reading the book really changed the outcome of my last dates in a very positive manner. Almost all first dates ended with a kiss! Just kiss her! contains a catalog of ideas that help you reach a life of abundance with women, dating, kisses and sex. You will learn: How to go step-by-step from meeting a girl to kissing her How to stop worrying about rejection How to create a playful vibe that will make it easy to go for the kiss How to identify what kind of girls you like and where to find them How to have fun on dates and get the make-out easily How to make use of your intuition in order to get more kisses Various Kissing Moves that make it more fun to go for the kiss Much much more...

But this book is not only about kissing, it is also a guide to personal development and to showing up with authenticity. As one of the reviewers put it: Your explanation of authenticity was the best I ever heard/ read it explained. I often was conflicted when looking to make changes and being true. This means that this book can even help women who looking to attract more kisses.
