

even Toddlers Need Fathers - A HANDBOOK FOR SHARED PARENTING

This book contains extracts from the debate on the Children & Families Act 2014. A submission put before the UN Committee on the Rights of the Child. A letter from Buckingham Palace. A personal message from a former Home Secretary. An application to the High Court with the judgment on paper. Correspondence with a major UK charity as well as the Justice Select Committee and the Attorney Generals Department in Australia. There is also an e-mail from Professor Sir Michael Rutter. Kingsley Miller is a qualified teacher with training in Child Psychology and Child Sociology, as well as a Masters degree (Environmental Change) and a post graduate certificate in Research Methods. The Court of Appeal granted him special permission to publish his County Court judgments because of his history of responsible campaigning and writing on issues relating to family relationships.
