

Neighbors

A standalone, romance mystery for adult readers. When Grace Jensens Uncle passes away and leaves her his small ranch in Wyoming: Grace decides its karma giving her a little push to leave the comfort and confines of her small town in New Jersey to start a new chapter in her life. Unfortunately someone isnt happy about Graces arrival, but who, and how far will they go to push her back to Jersey? As Grace balances her job, quirky new friends, and a country-fide lifestyle she is unprepared for the sizzling attraction she has for her neighbor. Grace notices the man for the first time; his appearance sends a small punch to her solar plexus. He was dressed in faded blue jeans that hugged muscular thighs. His silver belt buckle caught the last rays of sun and sent then skittering across the pond water. His shirt was a light blue denim button up that he wore over a white tee shirt that stretched over a large, well-developed chest. Cowboy boots and a brown cowboy hat completed his ensemble. Grace couldnt guess his age. He wasnt a pup, but he wasnt a retiree either. He was actually very, very handsome, too bad he was such and ass. Blindsided by the explosive heat between them; Grace allows him into her heart and into her bed. Confronted with untold secrets, alarming accidents, and a man that awakens her deepest desires; Grace will fight for her life and his love.
