

Smoke Screens: Studies On Truth and Counterfeits

Truth Needs No Smoke Screens... Deceptions hide the intentions of the devil but truth never bows to the devils ruses. The fire of Gods truth is more powerful in the mouth of a believing child than the smoke of the devils counterfeits in the mouths of all the worlds wise men. Smoke Screens compares some counterfeits of the devil against the powerful gifts of Gods Holy Spirit. The devil uses his wiles to twist truth, create rumors, exploit weaknesses, and promote the pride of men. He imitates Gods ability but all his ruses are demonic shams. The Bible says, He that commits sin is of the devil for the devil sinned from the beginning. For this purpose the Son of God was revealed, that He might destroy the works of the devil (1 John 3:8). Bible teacher and author Nita Berquist has almost forty-five years of ministry experience. She lives in Washington state and has four other published books: The Greatest Physician, Studies On Healing; Somewhere With God, Studies On Being Led By God; and two fiction books for young people: The Song Of Pounce, Homestead Harmonies; and The Song Of Pounce, Country Choruses.
