

## The Other Man (Volume 1)

Sex is not routine any more. There are sex shops decorating the high-street, free porn all over the internet and lets not even get started on the new BDSM phenomenon. So when things get a little stale in the bedroom, what would you do? Carlie made a suggestion; a suggestion I wanted nothing to do with at first, but she was my wife and Id have done anything to make her happy. I went along with her plan, even though I really didnt want to. It actually worked, for a while. Until something changed. Then I wasnt doing it for her anymore. Instead, it was all about secret liaisons, stolen moments and the thrill of getting caught. My life changed overnight and there was nothing I could do to prevent it. Lust is an unstoppable emotion when it takes hold. Rules are broken. Mistakes are made. Lives are destroyed. Be careful what you wish for, because sometimes, that wish can come true. Zachary Black was her wish. ...Until he became mine.
