

## Times of Tragedy and Moments of Grace

Times of Tragedy and Moments of Grace is written for all those among us who have experienced a life changing loss. It is a guide for negotiating the struggles of faith that so often accompany personal tragedies, and for finding and developing the spiritual resources to survive the darkest days of grief and suffering. It is about the willingness to learn, to change, and to grow, in the midst of pain and sorrow, and about emotional and spiritual recovery. And it is a testimony to the mysterious power of God through faith to transform events experienced as radical suffering, and to use them for good.
